The interest rate, fees and loan term used in this calculation may not actually represent those available from lenders. Actual interest rates, fees and loan terms will vary per lender and are typically based on an assessment of your credit risk and responsible lending criteria. Any terms will vary per lender and are typically based on an assessment of your credit risk and responsible lending criteria. Any terms will vary per lender and are typically based on an assessment of your credit risk and responsible lending criteria. Any terms of the loan used in this calculation is an offtary 10.25%, however exact interest rates vary per lender. The term of the loan used in this calculation is 60 fortnight. Exact terms available vary per lender although options typically include 6, 12, 18, 24, 36, 48 and 60 months. This calculation also includes two typical mandatory fees charged by lenders. These are an account admin fee of \$120.00 per month (other payment frequencies may be available) and a one-off establishment fee of \$490.35. Typically, this fee can be paid upfront or, as in calculated by multiplying 120 weekly repayments (based on a 60 fortnight term) by the weekly repayment amount of \$378.05 which equals \$45,366.17. This calculator does not consider any of your own personal circumstances and we strongly suggest you seek budgeting advice prior to committing to any loan contract. Responsible lending criteria and lender terms and conditions will likely apply to any finalised loan contract. Proof of security and/or vehicle insure may also be required before proceeding.
